How I Sold 24 Products in Just One Day

Back in the day, I used to struggle with selling even one product a week. My WhatsApp statuses were dry, my Instagram posts got maybe three likes (all from family), and my frustration levels were higher than Lagos rent

prices. Then I stumbled upon 7hubent Tech, Nigeria's free business advertising WhatsApp group platform, and everything changed.

Fast forward to today, I can confidently sell 24 products in 24 hours, and I'm about to spill all the secrets in my 7 Sales Magnet Free Guide.

The 7 Sales Magnets That Will Transform Your Hustle

1. Identify Your "Owambe" Product

Every Nigerian knows that not all products are equal. Some are like suya—everyone wants a piece. Find that hot-selling product or service people can't resist. Think party props during wedding season or hair products for Harmattan.

Pro Tip: Use 7hubent Tech's free advertising platform to test different products and see what gains traction. Trust me, their 290,000 daily views will give you the feedback you need.

2. Packaging is Everything

If your product looks like it fell from Oshodi bridge, nobody will buy it. Your visuals matter! Take clear, bright pictures and write catchy descriptions. Imagine selling moi moi but describing it as "African steamed bean pudding." Omo, people will rush it!

3. Leverage Free Platforms Like 7hubent Tech

Why pay for ads when you can use 7hubent Tech to market your products to thousands of buyers daily—for free? I once listed my organic skincare oil on their WhatsApp groups, and by the next morning, my inbox was buzzing.

How to Start:

- Sign up for their free advertising groups.
- Post your products with catchy descriptions.
- Watch the magic happen!

4. Master the Art of Storytelling
People buy emotions, not products. Instead of saying, “I sell Ankara dresses,” tell them how wearing one can make them feel like a queen at the next owambe. Share testimonials from happy customers to build trust.

5. Create Urgency
Nobody wants to be left out. Use phrases like “Limited stock available” or “Promo ends at midnight.” Lagos people love awoof, and nothing motivates

them more than a good deal with a deadline.

6. Consistency is Key

Don't just post once and expect magic. Consistently update your WhatsApp status, Instagram stories, and other platforms. Repetition builds trust.

7. Engage with Your Audience

You're not a robot, so don't act like one. Reply to inquiries with warmth, crack jokes, and make your buyers feel valued. Happy

customers will always come back for more.

Platforms like 7hubent Tech also help establish credibility by connecting you with real buyers.

How 7hubent Tech Changed My Life

Before 7hubent, I was a struggling entrepreneur trying to sell handmade jewelry. I had zero visibility, and sales were slower than NEPA's response during a blackout. But the day I discovered 7hubent Tech, my business took off.

By listing my products on their free advertising groups, I gained access to 290,000 daily views. My WhatsApp became so busy, I had to hire an assistant to manage the orders. Today, I'm not just selling jewelry; I'm building a brand.

Why You Should Choose 7hubent Tech

- Free Advertising: No charges, no hidden fees—just pure visibility.
- Massive Reach: Over 290,000 daily views to boost your business.
- Trusted Platform: Helping countless small businesses grow into big brands.
